

## Foster-to-Adopt Addendum

N/A

This addendum is incorporated into the Adoption Agreement dated \_\_\_\_\_.

I agree to foster the dog known as \_\_\_\_\_ for 2 weeks ending on \_\_\_\_\_.

**On that day** I will return the dog to P.A.W.S., or I will pay the adoption fee of \$\_\_\_\_\_.

### During the 2 week “foster-to-adopt” period, I agree to follow all foster rules:

- I will help teach basic training/manners to my foster dog, like sit/stay/wait while in my care.
- I agree that P.A.W.S. will make all medical decisions for this dog while in my care. Any expenses incurred by me without approval from P.A.W.S. **will not** be reimbursed.
- I agree to not foster dogs for other rescue groups while a P.A.W.S dog is in my care.
- I agree to call/email P.A.W.S. once a week with an update on my foster dog.
- I agree to NEVER take my P.A.W.S. foster to a dog park and to NEVER allow my P.A.W.S. foster dog to be off-leash except in a fenced yard.
- I agree to NEVER take my P.A.W.S. foster dog around any ill or un/under-vaccinated dogs, including puppies.

Agreed to by: \_\_\_\_\_ (foster/adopter)

---

## Pre-Sterilization Addendum

N/A

This addendum is incorporated into the Adoption Agreement dated \_\_\_\_\_.

### I understand that the dog/puppy I am taking home today is NOT currently spayed/neutered.

I agree to coordinate the spay/neuter surgery with a P.A.W.S. representative. I will allow a P.A.W.S. representative to pick up and return the dog/puppy to me at their convenience, or I will deliver and pick up the dog/puppy at the agreed upon location and time.

I also agree to keep my unaltered dog/puppy (regardless of sex) away from unaltered male dogs of any age. This is for the safety of ALL dogs.

**If I choose to arrange and pay for spay/neuter at my own vet, I will not be reimbursed any portion of the adoption donation and I must provide proof of spay/neuter to P.A.W.S. no later than \_\_\_\_\_ (date), otherwise the adoption shall be null and void and the dog/puppy must be surrendered to P.A.W.S.**

**ALL DOGS MUST BE STERILIZED – NO EXCEPTIONS.**

Agreed to by: \_\_\_\_\_ (foster/adopter)
